25 YEAR RE-REVIEW

Dear Joe:

[redacted] came in this morning with your note of introduction. Unfortunately, I was tied up and could not see him, but he did talk with my assistant, Mr. Long, and later to our Personnel people for a more extended interview. They will find out if we have a position suitable for an individual with [redacted] qualifications and get in touch directly with him.

25X1

Thank you for sending him on to us.

Sincerely,

W. B. Smith
